Our Commitment

We value your investment in fine cigars. It is our desire to store your cigars in perfect condition. With that in mind, we ask you note the following:

Each brand of cigars possesses its own specific characteristics. These subtleties in bouquet and flavor may be lost if you do not separate various cigars. We urge you to keep your cigars in boxes, as opposed to placing them loosely in the humidor. Should you need a plastic bag or an empty box for this purpose, please ask a member of our staff.

Occasionally, we may place a hygrometer in your humidor for the purpose of testing the temperature and relative humidity. Please do not remove these devices.
